Product Details

Parents may have more influence over their children than they think. This leaflet gives advice about how to talk to children about alcohol and how to answer difficult questions about alcohol. This leaflet is available via free download. Free Digital Content is licensed to you on the basis that you may use and reproduce it (eg by printing hard copies or reproducing it on your own website) solely for educational purposes in its current format. You may not alter, edit, modify, broadcast, sublicense, transfer, sell or otherwise exploit Free Digital Content without our prior written agreement.
